2025 Catalog

WELCOME TO **PRÁTICA**

Prática, founded in 1991, offers cutting-edge equipment for the food preparation market, including an extensive product portfolio in the category of speed ovens. With over 700 employees, including 55 in Research & Development in its fully operational 20.000m² factory located in Minas Gerais, Brazil, where it is the market leader. Additionally, the company has a strong presence in the international market, with branches in the United States, Chile and Germany, and exports its products to more than 50 countries.

At Prática, our purpose is to help our customers prepare high-quality food without waste. We understand the crucial role we play in the chain that begins with fields and crops and ends with providing prepared food to people. With our state-of-the-art technology and integrated product solutions, as well as pre-and post-sales support networks, we truly improve our customers' operations in quality food preparation, productivity, and profitability.

A well-aligned team, driven by strong values and a positive vision for the future, is propelling Prática towards an increasingly prominent position in the world.

SPEED OVENS

Prática's speed ovens are ultra-fast, high-performing ovens used for preparing, and finishing, fresh, refrigerated, or frozen foods. Each use results in excellent appearance, crunchiness, and taste.

With cutting edge technology, the ovens work with multiple heat sources, such as, impinged hot air, microwave, and direct radiation. They are equipped with a ventless system through an easily removable catalytic converter and requires no extraction hood for operation, making it easy to clean and maintain.

With a friendly touch screen interface, Prática speed ovens have easy operation and quick preparations, are ideal for service with agility and quality.

BACK TO MENU

FIT EXPRESS

The Fit Express high-speed oven is designed for efficiently finalizing refrigerated, fresh, or frozen foods, such as breakfast sandwiches, chicken wings, muffins, lasagnas, mac & cheese, sub sandwiches, and other partially prepared dishes. It delivers excellent flavor, appearance, and crispiness. The combination of impinged air and microwaves allows for heating, browning, or toasting foods faster than traditional methods.

FIT EXPRESS BLACK

FIT EXPRESS ORANGE

- Fits on 40cm width countertops and cooks 30cm pizzas.
- User interface: full-color user-friendly touchscreen display. Drag and drop features.
- IOK: Create, edit, and organize groups, recipes, and complete menus directly on the oven or from your computer using Wi-Fi or USB Flash Drive and send them to all connected ovens.
- Multi-language system: Portuguese, English, Spanish, French, German, Polish, Russian, Mandarin, Greek.
- Ventless: no hoods needed.
- The removable catalytic converter allows operators to perform the cleaning without the need for a maintenance service call.
- Secures consistent results: through precise control, even heat distribution, rapid cooking, built-in sensors, and customization options, ensuring uniform and efficient cooking for reliable outcomes.
- Independently adjust microwave power, temperature, and impinged air while programming recipes on the oven.
- No side vents, allowing zero side clearance.
- Elegant & Intuitive: Stores unlimited recipes, with their own steps, settings, icons, or photos.
- Temperatures up to 280°C: The impinged air convection technology combined with microwave capabilities enables users to cook food faster than when using traditional processes.
- Heat insulation: prevents the surrounding area from heating up and keeps the surface cool to the touch.

PANINI PRESS

FOR **FITST**, **FITSM** AND **FIT EXPRESS** USE ONLY

The Panini Press is an optional accessory for the FIT Express, ideal for making delicious sandwiches and paninis with grill marks.

- Specifically designed for use with the FIT Express, Fit SM and Fit ST.
- It is constructed from aluminum and coated with a non-stick layer.
- Versatility: Accommodate a variety of foods with an opening range of 12mm to 74,6mm between the top and bottom grills.
- Create perfectly pressed, grill-marked paninis, melts, subs, burritos, quesadillas, and more.
- Easy Installation, Use, and Cleaning.
- Comes with an exclusive paddle for sliding food between the top and bottom plates, also ensuring safe opening and closing.
- It is possible to keep the panini press in the chamber, even when cooking other items without grill marks, by placing the basket on top of it.
- Dishwasher safe.

*Not recommended for preparing meats

FORZA STi

Designed to ensure swift and exceptional deliveries, even during peak demands, the Forza Sti proves to be an ideal solution for QSR (Quick Service Restaurants) establishments, as well as pizzerias, bakeries, hotels, kiosks, and convenience stores. The production of pizzas, flatbreads, cookies, and more becomes even better with the Forza STi, ensuring superior appearance, flavor, and textures. The combination of impinging air and infrared radiation allows for heating, browning, or toasting foods faster than traditional methods.

USER-FRIENDLY FEATURES

Available in all Prática's high-speed oven models

REMOVABLE CATALYTIC CONVERTER

Easy access and removal of the catalytic converter.

REMOVABLE AIR FILTER

Designed for simple cleaning and maintenance.

MINIMAL CLEARANCE

Advance cooling design eliminates side vents and louvers allowing minimal to zero side clearance.

i

Rear clearances are automatically set with factory-installed bumpers.

NO HOODS NEEDED FOR OPERATION!

The Catalytic Converter turns grease-laden vapor into water, allowing the oven to operate with no need for exhaust hoods.*

The Catalytic Converter is removable, allowing operators to perform the cleaning without the need for a maintenance service call.

All Prática's high-speed ovens have been tested and passed EPA202, allowing them to be certified as non-grease emitting appliances.

*The high-speed ovens can't be used to cook foods classified as 'raw fatty proteins', such as bone-in, skin-on chicken, raw bacon, raw hamburger, etc. Trying to do so can damage the catalytic converter.
