CONSISTENT QUALITY MAKES ROOM FOR CREATIVITY

Tamping is an important part of a barista's craft, but doing it by hand hundreds of times a day damages a barista's wrist joints. So why not let Puopress do it? **the perfect tamp** for you!

No strain or pain, more time for creativity, craftsmanship and customers.

IT WORKS LIKE

PRACTICE MAKES PERFECT
PUO's tamper has 99.99% accuracy EVERY single time. So your entire team will tamp with incredible precision ALL the time. No more attempts to reach each other: consistency will improve.

PERFECTLY FLAT
Due to our patented stamping mechanism, every tamp is 100% flat and ready for a controlled and even extraction.
